INTERNATIONAL CONFERENCE ON CULTURAL HERITAGE PRESERVATION

29 May - 1 June, 2012
Split, Croatia

CONFERENCE BACKGROUND

The 'International Conference on Cultural Heritage Preservation' will take place during the concluding stage of the EU FP7 Coordinated Action project "European Cultural Heritage Identity Card, EU-CHIC" (FP7-ENV-2008-1 no 226995: see www.eu-chic.eu). It aims to present new research and developments in the preservation and conservation of cultural heritage across Europe, and its neighbouring countries. It will also present the latest results from other EU research funded projects.

CONFERENCE THEMES AND ROUND TABLE

Theme 1

1.1 Documenting cultural heritage - history and innovation

History of cultural heritage documentation; impact of the digital era on cultural heritage documentation; good practice examples

1.2 Surveying and monitoring techniques and systems

Methods, tools and techniques applicable to cultural heritage survey and monitoring systems

1.3 Damage risk assessment

Mitigation of natural hazard due to sudden events (earthquake, fire, floods etc.) and long-term impacts (deterioration processes, climate change, anthropic pressures)

1.4 Policy making, legal and economic aspects of cultural heritage preservation

Knowledge based decision making procedures, and awareness transfer; sustainable tourism developments; EU Cultural Heritage Label; EU directives; standardization (CEN, ICOMOS CIPA)

Theme 2

On-going projects relating to cultural heritage preservation and the future of cultural heritage research in Europe

Partner presentations on related cultural heritage projects: Climate for Culture; SMooHS; Perpetuate; 3ENCULT; Enumeric; DC-Net; Carare; Net-Heritage - JPI; national projects, and others.

Round Table

From current to future research in Cultural Heritage

Discussion on the future financing and research requirements of European Cultural Heritage.
